stimularea tinerelor echipe independente – TE 2026 / Research Projects to Stimulate Young Independent Teams 2026 (UEFISCDI, PNCDI IV) Link: https://uefiscdi.gov.ro/proiecte-de-cercetare-pentru-stimularea-tinerelor-echipe-independente-te	(Romani a)	independent early-career research teams	Young researchers (PhD ≤12 years) + min. 3-person team incl. 1 PhD student Applicants: Director: first PhD obtained ≤12 years before submission; full-time employed at host institution; one submission per PCE/TE/PD cycle	600,000 Lei (RON)/project (18–24 months) Total competition budget 2.000.000 Lei (RON) Co-funding: Not specified	Platform open from 23 June 2026. Deadline: 30 July 2026, 16:00	doctoral researcher status	budget; narrow fit for VET/support-structure objectives
Proiecte de cercetare postdoctorală – PD 2026 / Postdoctoral Research Projects 2026 (UEFISCDI, PNCDI IV, Programul 5.2 Resurse Umane) Link: https://uefiscdi.gov.ro/proiecte-de-cercetare-postdoctorala-pd	National (Romani a)	Continuing post-PhD research careers	Targets: Postdoctoral researchers + mentor Applicants: Recent PhD holder; mentor may	Value: Total competition budget max. 35,000,000 Lei (RON); Project maximum budget 300.000 Lei (RON)/project,	Launched. Platform open from 30 June 2026. Deadline: 28 July 2026, 16:00	Recent doctorate + mentor arrangement	Postdoc-specific

Funding Programme Name	Level / Region	Relevant Activities	Target Groups & Eligibility	Funding & Co-funding	Status	Experience	Challenges & Considerations
			support up to 3 proposals; one submission per PCE/TE/PD cycle	for a maximum 24 months Co-funding: Not specified; indirect costs capped at 20% (excl. equipment)			
Proiect Experimental Demonstrativ – PED 2026 / Experimental Demonstrative Project 2026 (UEFISCDI, PNCDI IV)	National (Romania)	Developing/testing experimental demonstrators (TRL 2–3 → TRL 3–4) for new/improved products, technologies, methods, systems or services	Targets: Research organisations partnered with R&D-active enterprises Applicants: Public/private research organisations, in partnership with companies	Value: Max 750,000 Lei (RON)/project (12–24 months); competition budget 67,220,000 Lei (RON) Co-funding: Company partner must co-finance per state-aid rules (exact rate not specified)	Launched. Deadline: 15 September 2026, 16:00; platform opened 6 July 2026	Applied R&D results already at TRL 2–3	Requires an industry partner from the outset; demonstrator-stage funding only, not infrastructure/governance
Proiect de Transfer la Operatorul Economic – PTE 2026 / Technology Transfer Project to the Economic Operator 2026 (UEFISCDI, PNCDI IV, subprogramul Parteneriate pentru competitivitate)	National (Romania)	Transferring research results/technology to a named company for commercial uptake (industrial research,	Targets: Research centres/institutes partnered with an economic operator (≥2	Value: Max 1,500,000 Lei (RON)/project; competition budget 67,220,000 Lei (RON)	Launched. Deadline: 16 September 2026, 16:00; platform opened 6 July 2026	Existing, transfer-ready research result; established company partner	Requires an identified receiving company with 2+ years of positive financial results; one proposal per director

Funding Programme Name	Level / Region	Relevant Activities	Target Groups & Eligibility	Funding & Co-funding	Status	Experience	Challenges & Considerations
Link: https://uefiscdi.gov.ro/proiect-de-transfer-la-operatorul-economic		experimental development, innovation activities)	<p>years active, positive financials)</p> <p>Applicants: Research organisation + partnered enterprise (public or private) active in Romania</p>	<p>Co-funding: Company partner co-financing required per state-aid scheme; ≥30% of requested state budget must go to experimental development</p>			
<p>STEP-LLL – Competențe pentru viitor: formare la locul de muncă și educația adulților în tehnologiile critice – Adulți / STEP-LLL – Skills for the Future: Workplace Training and Adult Education in Critical Technologies – Adults (PEO, Priority II, STEP initiative)</p> <p>Link: https://mfe.gov.ro/ghiduri_peos/step-III-competente-pentru-viitor-formare-la-locul-de-munca-si-educatia-adultilor-in-tehnologiile-critice-adulti/</p>	National (ESF+) (Romania)	Workplace training & adult education in STEP critical technologies (digital, deep-tech, biotech); career guidance for jobseekers into STEP sectors	<p>Targets: Accredited public/private employment-service and training providers, sectoral confederations, professional associations</p> <p>Applicants: Accredited employment-service/training providers; trade/employ</p>	<p>Value: Budget: €92,000,000 (100% ESF+ funded)</p> <p>Co-funding: 0% co-financing (explicit exception to normal PEO minimum co-financing rule)</p>	<p>Launched – final Guide published, no longer in consultation; MySMIS2021 opens 29.05.2026 16:00</p> <p>MySMIS2021 closes 28.08.2026 16:00</p>	Accreditation as training/employment-service provider	<p>Very close fit to COVE-EXSEE's training mission; worth confirming exact MySMIS opening/closing dates directly with AM POEO (Managing Authority for the Education and Employment Programme)</p>

Funding Programme Name	Level / Region	Relevant Activities	Target Groups & Eligibility	Funding & Co-funding	Status	Experience	Challenges & Considerations
			er confederation s; sectoral non-profit associations; research/train ing institutes				
STEP-EDU: dezvoltarea și modernizarea ofertelor educaționale universitare în domeniile tehnologice critice – Adulți / STEP-EDU: Developing and Modernising University Educational Offers in Critical Technology Fields – Adults (PEO, Priority II, Action II.g.1, ESO4.7) Link: https://mfe.gov.ro/ghiduri_peos/ghidul-solicitantului-step-edu-dezvoltarea-si-modernizarea-ofertelor-educationale-universitare-in-domeniile-tehnologice-critice-adulti/	National (ESF+, 100% EU-funded) (Romani a)	Modernising/adapting university curricula (bachelor's/master's) in STEP fields (digital, deep-tech, clean/resource-efficient tech, biotech); training university teaching staff; student-facing applied labs/modules; optional university business incubators for student prototyping (up to €100,000/student in milestone-based grants)	Targets: Unemployed and employed persons over 29 years old Applicants: Sole eligible applicants: public and private universities. Eligible partners: universities, authorised public/private continuing-training (FPC) providers, training/research institutes	Value: Call budget: €120,000,000; project value: min. €6,500,000 – max. €20,000,000 (benchmark: €13,038/participant) Co-funding: 0% – 100% EU-funded, no co-financing required	Still in public consultation (published 20.03.2026); opening/closing dates in MySMIS2021 are blank placeholders – not yet formally launched	Universities need relevant partners with documented experience delivering STEP-domain training/curricula to qualify as partners	Very large project minimums (€6.5M floor) mean this suits a large university consortium, not a single small project; base activities (curriculum + student labs) mandatory; incubator component optional

Funding Programme Name	Level / Region	Relevant Activities	Target Groups & Eligibility	Funding & Co-funding	Status	Experience	Challenges & Considerations
STEP-EDU: dezvoltarea și modernizarea ofertelor educaționale universitare în domeniile tehnologice critice – Tineri / STEP-EDU: Developing and Modernising University Educational Offers in Critical Technology Fields – Youth (PEO, Priority 12, Action 12.a.1, ESO4.1) Link: https://mfe.gov.ro/ghiduri_peos/ghidul-solicitantului-step-edu-dezvoltarea-si-modernizarea-ofertelor-educationale-universitare-in-domeniile-tehnologice-critice-tineri/	National (ESF+, 100% EU-funded) (Romania)	Same core activities as the Adults call (curriculum modernisation, student labs, optional business incubators), but framed around youth employability and STEM career transitions, with explicit attention to disadvantaged youth and gender gaps	Targets: Youth aged 15 up to (not including) 29 Applicants: Sole eligible applicants: public and private universities. Eligible partners: universities, authorised FPC providers, training/research institutes	Value: Call budget: €54,045,849; project value: min. €6,500,000 – max. €20,000,000 (same per-participant benchmark) Co-funding: 0% – 100% EU-funded	Still in public consultation (published 20.03.2026); dates blank – not yet formally launched	Same as above	Smaller total budget (€54M vs €120M) than the Adults call means fewer projects can be funded even though the same €6.5M project floor applies

Greece

Funding Programme Name	Level / Region	Relevant Activities	Target Groups & Eligibility	Funding & Co-funding	Status	Experience	Challenges & Considerations
ERDF – Strengthening Research Infrastructures in Priority Sectors of the South Aegean Region Link: https://pepna.gr/el/calls/enishysi-ereynitikon-ypodomon-se-tomeis-proteraiotitas-tis-perifereias?utm	Regional (Greece)	Research equipment, laboratories, software, demonstrators and applied research infrastructures.	Targets: Researchers, enterprises, regional innovation actors and, indirectly, VET learners and trainers. Applicants: public research bodies and research and knowledge-dissemination organisations active in the South Aegean.	Value: 1.000.000 total call budget Co-funding: No general private contribution is stated.	Open	No	The projects must establish or upgrade an eligible research infrastructure located and operating in the South Aegean.
ERDF/RIS3 Partnerships between Enterprises of the Ionian Islands Region and Research and	Regional (Greece)	Industrial research, experimental development, innovative	Targets: SMEs, research organisations,	Value: €4,000,000 total, €50,000–€400,000	Open	No	A stand-alone VET activity is not sufficient. Training tools or learning

Funding Programme Name	Level / Region	Relevant Activities	Target Groups & Eligibility	Funding & Co-funding	Status	Experience	Challenges & Considerations
Innovation Fund of the Republic of Serbia – Smart Start Link: https://www.inovacionifond.rs/en/programs/smart-start	National (Serbia)	Early-stage product/service development, market validation, business model design – aligned with Serbia's Smart Specialisation Strategy (incl. ICT/AI, Future Production)	Targets: SMEs, Student, Trainers/Teachers (as founders of spin-offs) Applicants: Pre-seed start-ups; teams where ≥51% of members are residents of Serbia	Value: Up to ~RSD 7.4M (~€63,000) + RSD 600,000 mentorship voucher Co-funding: Min. 10% in cash from private sources	Open (annual call, documentation released Aug 2025)	No	Targeted at very early-stage start-ups – useful as a spin-out vehicle from CoVE training rather than for the CoVE itself; small ticket size
Innovation Fund of the Republic of Serbia – Collaborative Grant Scheme (Tehnobnova / R&D between Industry and Science) Link: https://www.inovacionifond.rs/en/programs/	National (Serbia)	Research and development, Digital transformation, Industry-academia collaboration, applied research	Targets: SMEs, Industry, VET centers, Schools (as research users) Applicants: Consortia of companies with public R&D organisations (universities, institutes)	Value: Up to ~€500,000 per project Co-funding: Co-financing depending on company size (typically 30–60%)	Recurrent calls (linked to World Bank SAIGE programme and Reform & Growth Facility)	No	Requires a registered R&D organisation as partner; reporting and procurement rules aligned with World Bank requirements
Science Fund of the Republic of Serbia – Green Programme of Cooperation between Science	National	Research and development,	Targets: SMEs, Industry, VET	Value: Up to ~€300,000	Restricted (Phase II open	No	Phase-gated access; sector focus on

Funding Programme Name	Level / Region	Relevant Activities	Target Groups & Eligibility	Funding & Co-funding	Status	Experience	Challenges & Considerations
and Industry (Phase II) Link: https://fondzanauku.gov.rs/?lang=en	(Serbia)	Green energy transition, commercialisation of research results, science–industry partnerships	centers Applicants: Consortia of accredited research organisations and Serbian companies (Phase II open only to Phase I beneficiaries)	per project Co-funding: Industry partner co-financing (typically ~20–30%)	only to Phase I awardees, but new Phase I rounds expected)		green/clean tech may not directly cover all welding/joining activities
Ministry of Science, Technological Development and Innovation – EUREKA / Eurostars (Serbian window) Link: https://nitra.gov.rs/en/nauka/finansiranje-nauke	National (Serbia)	Research and development, Digital transformation, transnational industrial R&D	Targets: SMEs, Industry, VET centers, Trainers/Teachers Applicants: Serbian companies and research organisations participating in EUREKA networks projects with at least one partner from another EUREKA member country	Value: National contribution up to ~€300,000 per Serbian partner per project Co-funding: Min. 50% co-financing for company applicants	Open (annual calls, typically Q1–Q2)	No	Requires building an international consortium under EUREKA labels; national funding decisions made independently per country, which can complicate timelines

Funding Programme Name	Level / Region	Relevant Activities	Target Groups & Eligibility	Funding & Co-funding	Status	Experience	Challenges & Considerations
Interreg IPA ADRION 2021–2027 (Adriatic-Ionian Programme) Link: https://www.interreg-ipa-adrion.eu/	Regional (Serbia)	Research and development, Education and Training (skills for smart specialisation), Digital transformation, Innovation	Targets: VET centers, SMEs, Industry, Trainers/Teachers Applicants: Public bodies, NGOs, education and training providers, innovation agencies, SMEs from 10 partner states (incl. Serbia)	Value: Max EU contribution €1,200,000 per project (85% co-financing rate) Co-funding: 15% co-financing required from each partner	2nd Call closed June 2025 – evaluation ongoing; 3rd Call expected late 2026	Yes	Requires consortium of ≥4 partners from 4 different countries in the macro-region; competitive (success rate ~10–15%); 36-month implementation cap
Interreg Danube Region Programme 2021–2027 Link: https://interreg-danube.eu/	Regional (Serbia)	Research and development, Education and Training, Digital transformation, Social inclusion, Innovation – Priority 1 (Smarter Danube) most relevant	Targets: VET centers, SMEs, Industry, Trainers/Teachers, Schools, Student Applicants: Public bodies, NGOs, universities, VET providers, SMEs from 14 Danube Region countries	Value: Typical project size €1.5M–€3M EU contribution (80% co-financing rate for IPA partners) Co-funding: 20% co-financing for IPA partners	3rd Call deadline 15 December 2025; 4th Call expected 2026/2027	Yes	Geography larger and more competitive than ADRION; transnational consortium of 7+ partners typically required; long preparation and evaluation cycles

Funding Programme Name	Level / Region	Relevant Activities	Target Groups & Eligibility	Funding & Co-funding	Status	Experience	Challenges & Considerations
			(incl. Serbia)	(incl. Serbia)			
Western Balkans Fund (WBF) – Grants for Grassroots Initiatives (8th Call) and MOVE Grants Link: https://westernbalkansfund.org/	Regional (Serbia)	Education and Training, Mobility, Social inclusion, regional cooperation	Targets: VET centers, Trainers/Teachers, Student, NGOs, schools Applicants: Civil society organisations, education and training providers, public institutions in the 6 Western Balkans economies	Value: Up to €15,000 per regional grant (Grants for Grassroots Initiatives); MOVE Grants smaller scale Co-funding: No formal co-financing required	Open (8th Call open until 20 April 2026)	No	Small ticket size – good for outreach, dissemination, soft-skills activities, but not for infrastructure or substantial training; requires partners from at least 2 other WB economies
Erasmus+ Centres of Vocational Excellence (CoVE) – ERASMUS-EDU-2026-PEX-COVE Link: https://erasmus-plus.ec.europa.eu/programme-guide/part-b/key-action-2/centres-vocational-excellence	EU (Serbia)	Education and Training, Research and development, Mobility, Digital transformation, Green energy transition, Social inclusion	Targets: VET centers, Schools, SMEs, Industry, Trainers/Teachers, Student Applicants: Consortia of ≥8 organisations from ≥4 EU MS or Programme-associated countries; VET	Value: Up to €4M per project (lump sum) Co-funding: Lump-sum grant – no separate co-financing rate, but partner own contribution	Open (Call published Nov 2025; deadline 3 September 2026)	Yes	Highly competitive (success rate ~15–20%); already core programme for PI-FORWARD – sustainability requires diversification beyond CoVE; lump-sum management requires careful work package design

Funding Programme Name	Level / Region	Relevant Activities	Target Groups & Eligibility	Funding & Co-funding	Status	Experience	Challenges & Considerations
			providers, companies, public authorities, HEIs, research institutes	typical			
Erasmus+ Capacity Building in VET – Western Balkans (CB-VET) – ERASMUS-EDU-2026-CB-VET-WB Link: https://www.eacea.ec.europa.eu/funding-opportunities_en	EU (Serbia)	Education and Training, Mobility, Digital transformation, Social inclusion, capacity building of VET institutions	Targets: VET centers, Schools, Trainers/Teachers, Student Applicants: Partnerships of organisations from EU MS / Programme-associated countries and third countries not associated to the Programme; must include ≥1 secondary-level VET provider	Value: Max €500,000 per project Co-funding: No mandatory co-financing rate; typically 100% of eligible costs covered up to ceiling	Open (Call published 2026, deadline expected mid-2026; check FT&P portal)	No	Eligibility for Western Balkans window depends on Serbia's status (currently associated to Erasmus+ as Programme country); single org cannot coordinate >2 proposals
Erasmus+ Cooperation Partnerships and Small-scale Partnerships in VET (KA220-VET / KA210-VET) Link: https://erasmus-plus.ec.europa.eu/opportunities/opportunities	EU (Serbia)	Education and Training, Digital transformation, Social inclusion, Mobility,	Targets: VET centers, Schools, SMEs, Industry, Trainers/Teachers, Student	Value: KA220-VET: €120,000–€400,000; KA210-VET:	Open (annual calls managed by National Agencies;	Yes	Lower ticket size than CoVE; managed via Tempus Foundation in Serbia – familiar process; useful as

Funding Programme Name	Level / Region	Relevant Activities	Target Groups & Eligibility	Funding & Co-funding	Status	Experience	Challenges & Considerations
-for-organisations/cooperation-among-organisations-and-institutions		curriculum development	Applicants: Min. 3 organisations from 3 Programme countries (KA220); 2 organisations from 2 countries (KA210)	€30,000 or €60,000 lump sum Co-funding: Lump-sum / grant – no separate co-financing rate	2026 deadlines March/October)		'maintenance' funding between large CoVE projects
Erasmus+ Alliances for Innovation (KA2 – Lot 1: HE-VET-business; Lot 2: Sectoral Skills) Link: https://erasmus-plus.ec.europa.eu/opportunities/opportunities-for-organisations/innovation-co-operation/alliances-innovation	EU (Serbia)	Research and development, Education and Training, Digital transformation, sectoral upskilling/reskilling, Industry-academia collaboration	Targets: VET centers, Industry, SMEs, Trainers/Teachers, Student Applicants: Lot 1: ≥8 partners from ≥4 MS incl. HEIs, VET providers, businesses; Lot 2: ≥12 partners from ≥8 MS incl. social partners, sectoral representatives	Value: Lot 1: up to €1.5M per project; Lot 2: up to €4M per project (Blueprint) Co-funding: Lump-sum grant	Open (annual call; deadline typically Feb/March)	Yes	Sectoral Skills (Blueprint) ideal for welding/manufacturing but very competitive; requires strong sectoral coverage – complementary to PI-FORWARD CoVE as a follow-up vehicle
Horizon Europe – Widening Participation and Strengthening the European Research Area (WIDERA) – Twinning, Hop-On Facility, ERA Chairs, Excellence Hubs	EU (Serbia)	Research and development, Digital transformation,	Targets: VET centers (as research-active organisations),	Value: Twinning: up to €1.5M; Hop-On:	Open (WP 2026–2027 published; calls	Yes	Requires building partnerships with top-tier EU institutions; success

Funding Programme Name	Level / Region	Relevant Activities	Target Groups & Eligibility	Funding & Co-funding	Status	Experience	Challenges & Considerations
Link: https://research-and-innovation.ec.europa.eu/funding/funding-opportunities/funding-programmes-and-open-calls/horizon-europe/widening-participation-and-strengthening-european-research-area_en		networking with leading EU research institutions	Industry, SMEs, Trainers/Teachers Applicants: Serbia is eligible as a Widening country – Serbian organisations can coordinate Twinning, Hop-On, ERA Chairs, Excellence Hubs	€200,000–€600,000; ERA Chairs: €1.5–€2.5M; Excellence Hubs: €1.5–€4.5M Co-funding: 100% funding rate for non-profit; 70% for for-profit (RIA)	staggered through 2026 and 2027)		rates 15–25% depending on scheme; reporting load is significant
Horizon Europe – Cluster 4 (Digital, Industry & Space) and MSCA Staff Exchanges / Doctoral Networks Link: https://research-and-innovation.ec.europa.eu/funding/funding-opportunities/funding-programmes-and-open-calls/horizon-europe_en	EU (Serbia)	Research and development, Digital transformation, AI, advanced manufacturing, Mobility (researchers), Industry-academia exchange	Targets: VET centers, Industry, SMEs, Trainers/Teachers, Student (PhD/postdoc) Applicants: Serbia fully associated to Horizon Europe – Serbian organisations can apply / coordinate on equal terms	Value: Cluster 4 RIA/IA: typical €2–€10M per project; MSCA Staff Exchanges: ~€1M; Doctoral Networks: ~€3M Co-funding: 100% funding rate for non-profit; 70%	Open (rolling calls under WP 2026–2027)	Yes	Highly competitive; typically requires consortia of 5+ partners across MS; long proposal preparation (6+ months); reporting and audit-heavy

Funding Programme Name	Level / Region	Relevant Activities	Target Groups & Eligibility	Funding & Co-funding	Status	Experience	Challenges & Considerations
				for for-profit (IA actions)			
Digital Europe Programme (DIGITAL) – Advanced Digital Skills, AI, European Digital Innovation Hubs (EDIHs) Link: https://digital-strategy.ec.europa.eu/en/activities/digital-programme	EU (Serbia)	Digital transformation, Education and Training (advanced digital skills), AI, cybersecurity	Targets: VET centers, Industry, SMEs, Trainers/Teachers, Student Applicants: Serbia is associated to DIGITAL – Serbian organisations can participate; for EDIH actions, designation by national authorities is required	Value: Typical project size €1M–€20M; AI testing facilities and EDIHs at higher end Co-funding: Co-financing rates 50% (most actions) to 100% (Specific Objective 4 – Skills)	Open (annual Work Programmes; calls under WP 2025–2027 ongoing)	No	Co-financing requirement is a barrier (50% in many cases); EDIH route requires national designation process
Single Market Programme (SMP) – COSME pillar (SME competitiveness) and Enterprise Europe Network Link: https://single-market-economy.ec.europa.eu/smes_en	EU (Serbia)	Education and Training (entrepreneurship), Mobility (Erasmus for Young Entrepreneurs), Digital transformation, internationalisation	Targets: SMEs, Industry, Trainers/Teachers (as mentors) Applicants: Serbia participates in COSME pillar and is part of	Value: Variable: from small mobility grants (€1,000–€10,000 per entrepreneur) to larger calls €1M–	Open (rolling calls)	No	Most relevant for SME beneficiaries; useful as a complementary stream to engage company partners of the CoVE
